PRELIMINARY AMENDMENT

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

In conjunction with the divisional patent application filed herewith, please amend the above-identified application as follows:

In the Claims:

Please delete Claims 1-10 in the parent application and replace with the claims as follows:

11 x. A method of substantially recreating a binaural impression of sound perceived by a first listener from an audio source for a plurality of other listeners, such method comprising the steps of:

determining a first transfer function matrix which creates the binaural impression perceived by the
